

OTHER COUNTY PARKS

Modesto Reservoir Regional Park

Modesto Reservoir Regional Park is located at 18143 Reservoir Rd., a few miles from the town of Waterford, just off Highway 132. It offers over 3,200 acres of land and 2,800 acres of reservoir for recreation and camping.

Frank Raines Regional Park

The Frank Raines Regional Park offers the rugged slopes of California's Coast Range and is functionally divided into three units, separated by several miles of road. The Minnier Area encompasses over 1,000 acres of undeveloped land designed for non-motorized recreation use. The Frank Raines day use area provides picnic tables, barbeques, a themed playground, and more. And for campers and OHV enthusiasts, the Frank Raines Off-Highway Vehicle Park is located across the Day Use Area.

Laird Regional Park

Laird Regional Park offers 97 acres of land for recreational purposes. It is located on Grayson Road (J16) about two miles east of the community of Grayson on the San Joaquin River. This park also serves the role of neighborhood park to the nearby communities featuring picnic facilities, group areas, and playing fields.

Woodward Reservoir Regional Park

Woodward Reservoir Regional Park is located at 14528 26-Mile Rd., a few miles north of Oakdale off Highway 120. It offers over 3,700 acres of land and 2,900 acres of reservoir for recreation and camping.

The Stanislaus County Department of Parks and Recreation is focused on acquiring, developing, and maintaining recreational areas in Stanislaus County. The Department manages park and recreational facilities that will provide a great experience for families to enjoy the outdoors at a low cost.
